Experience

WEBSEOWIN

Web Designer Intern • Jaipur, Rajasthan

06/2024 - 07/2024

As a Web Designer Intern I created and improved website designs, ensuring they were visually appealing and user-friendly. I gained skills in HTML, CSS, JavaScript.

Handi

Digital Marketing Intern • Jaipur, Rajasthan

06/2024 - 07/2024

As a Digital Marketing Intern at [Handi] for [2 months], I assisted in creating and executing digital marketing campaigns across various platforms, including social media, email, and web. I conducted market research and analysis to identify trends and insights, helping to inform our marketing strategies. Additionally, I contributed to content creation, managed social media accounts, and tracked campaign performance using analytics tools. During this time, I gained skills in SEO, SEM, social media marketing, content marketing, and data analysis, while developing a strong understanding of digital marketing principles and best practices.
